ICS FAST

I Can Swim FAST - Skill Refinement

ICS Fast is for those Swimmers moving up from Stage 3 and Focuses on the refinement of motor coordination and introduction of speed swimming skills. The focus is on swimming faster and more efficiently in preparation for competitive swimming.

Training Time - 3 hours per week until May 31, 2008

The Swim-A-Thon is a two hour swim event completed in the Spring, where all swimmers swim as many lengths (up to 200) that they can complete in 2 hours. Donations can be collected by length or for the completion of the whole event. As a means of raising sufficient funds to offset fixed Pool and Coaching costs, WAC has introduced a Swim-A-Thon assessment. Although this amount is collected at the time of registration and pre-paid by post-dated cheques, ALL of this Swim-A-Thon Assessment money can be refunded by collecting pledges and donations from family, friends and neighbours. All funds collected up to the Assessment amount can be kept by the Swimmer's family. Tax receipts for donors are issued for all donations of \$10.00 or more.

For swimmers starting in Jan 2008, complete the following section, enclosing a cheque dated Jan. 02, 2008 for \$275 (3/10 of \$650 and \$150, plus \$35) and a second cheque dated Feb.. 01, 2008 for \$240, made payable to 'Windsor Aquatic Club'. Be sure to add the \$30.00 Late fee (If late and you are not a new WAC swimmer) and \$10.00 non-resident amount (if you do not live or own a business within the City of Windsor) to your first cheque. Please print, except where indicated. Note the multiple swimmer discounts above.
